

One of the 25 top "Best Buys" among public universities and colleges in the United States.

-Money Magazine

One of the best universities in the Southeast.

-The Princeton Review

Troy University is the nation's 25th leading masters level institution for international student enrollment

-IIE "Open Doors"

Troy University has not just provided me with an exceptional learning experience; it has become my home away from home. TROY has given me the opportunity to meet the world, through its multicultural mix of staff and students.

-International Student, Troy University

Overview

University is the place to launch your hopes and define your dreams. It is where you will take your first steps toward an exciting career. You need a university that will help you succeed as a student, and where you will gain the knowledge you need to get a firm foundation for your career and future. Troy University is that University.

Founded in 1887, Troy University is located in the warm Southern part of the United States, near Florida beaches and in metropolitan Atlanta. Our quality education is an exceptional value at a low cost. Our 577-acre (234 hectare) campus includes a golf course, indoor and outdoor swimming pools, theaters, Barnes & Noble bookstore with Starbucks coffee house, tennis and volleyball courts, soccer and track fields, fitness center and a special International Living & Learning Center. The Southern region of the United States has a rich heritage of friendly hospitality in a safe, family-like environment. Troy University exemplifies these traditions with faculty and advisors taking a personal interest in the success of each of our students.
